Letter from the President:

It's hard to believe that we will be skiing in only a few days. Okemo is planning to open on November 21st, the weekend before Thanksgiving.

- The lodge in Ludlow has been prepared for the season, and the good news is that since we added three new lockers this year, we were able to assign one to each member who requested one. Look elsewhere in this newsletter for your specific assignments.
- Be sure to contact the reservation manager prior to coming up.
- More good news – we have been able to roll back the cost of a nights stay to two years ago prices, adults are only \$15 per night and children are \$10.
- Currently the wireless internet connectivity is not working, but we hope to have it operational by the season opening.

The annual ski sale was a success. This year the Manchester Ski Club teamed up with the Illing Middle School in Manchester who hosted the sale, and four ski shops participated. Unfortunately we were unable to accept member items for sale this year, however we will be looking into alternatives that will allow us to do that in future years.

Be sure to mark your calendars for the annual holiday party on Monday, December 7. Please note that we have moved the party to the Baptist church hall at 585 East Center Street in Manchester this year. Times and cooking assignments can be found elsewhere in this newsletter.
